**Over-the-Counter Self -Administration Medication Authorization**  
**(Grades 7-12 only)**

Students in grades 7-12 may self-carry and self-administer over-the-counter medications at school provided the following guidelines are met:

- Parent or guardian's written authorization is present
- Over-the-counter medications are provided from home. No medications are provided by the school.
- Over-the-counter medications must be in the original container clearly identifying the medication and recommended dosage
- Student is capable of and has been instructed in the proper method of self-administration of medications
- Student is permitted to carry their medications as long as they do not endanger him/herself or other persons. If not, school employees will confiscate the medication without warning.
- Authorization must be renewed yearly

By authorizing self-carry and self-administration of over-the-counter medication to my son/daughter during school hours, I release school personnel from any liability in relation to this request. I further understand that this privilege can be revoked at any time for any reason.
